

#### **CEG's mission:**

We are a company of people committed to offering value-added drive motors for the elevator sector. We make every effort possible to meet the needs of our clients, and provide a carefully polished service, as well as quality and reliability at competitive terms and costs to secure our clients' targets.

#### **CEG's vision:**

CEG aspires to offer the best drive solutions for the elevator sector; the raison d'être of its business is to provide products and services with a high added value for its customers, the safety and development of its staff, fair and loyal cooperation with its suppliers and a harmonious co-existence with the environment, as well as with institutions, training centres and associations with which we can overlap in the performance of our business. We seek sustained growth in all situations that occur on the outside and affect us on the inside.
